Sale Information

Herd Health: All sale cattle will be available for immediate shipment, with the exception of cattle that may be purchased by out-of state buyers. Some nearby states have additional health test requirements which may result in the consignor returning those cattle to their home operations and performing the required tests for interstate shipment. All cattle have a negative BVD test. In addition, all cattle are free of any known genetic abnormalities for which there is a commercial test available.

Trucking: All arrangements regarding trucking costs and delivery times are to be predetermined between the trucking firm and the buyer prior to the trucking firm hauling the cattle. Sale management and the sellers will assist in coordinating transportation, however, neither the sale management, nor the seller, assumes any responsibility regarding the costs for trucking cattle or the collection of fees due to the trucking firm.

Responsibility: The seller is the responsible party for all recommendations and warranties. The Michigan Angus Association, all persons associated, and the auctioneer are acting as agents only and are not responsible in any way, but will endeavor to protect the interest of both buyer and seller. The seller or anyone associated with the sale shall not be responsible in case of accident resulting in injury to anyone attending the sale.

Bidding: All animals sell to the highest bidder. Any disputes or challenges regarding bids will be settled by the auctioneer, and his decision will be final.

Risk: All animals are at owner's risk and become the property of the purchaser when declared sold. Assistance will be given in loading and shipping of animals, but no risk is assumed by anyone associated with the sale.

Liability: All persons who attend this sale do so at their own risk, legal or otherwise, for their safety or the animals' behavior. The owner, Michigan Angus Association, and the sale staff assume no liability for property loss or any accidents that may occur.

Terms and Conditions: Cattle will sell under the standard terms and conditions as recommended by the American Angus Association. All certificates for calves carried in dam will be the buyer's responsibility.

Announcements: Announcements made at the time of the sale will take precedence over printed

416 is a super performance heifer with a 1.1BW EPD and a 93 YW EPD and a current \$B of 91.57. Phenotypically this heifer is outstanding! She is level made, super sound structured and eye appealing. Additionally, she has a great disposition, one that my 7 year old can lead. Juniors take note: this is a heifer that can be shown and then make all your money back in the donor pen! She is another Blossom that we should not be selling. Her sister sold to Ohio for \$4000 in the Expo two years ago.
