INSPECTION OF CATTLE

Cattle may be viewed at the sale site beginning on Friday, October 28, 2016. Prior to Friday cattle may be viewed at their respective farms.

HEALTH

Interstate health papers will be furnished on all cattle selling.

TERMS & CONDITIONS

All cattle will sell under the suggested sale terms and conditions of the American Simmental Association & American Angus Association.

TRUCKING

Truckers believed reliable will be available to assist you in shipping your purchases.

INSURANCE

Jamie Secondino, American Livestock Insurance // 812-208-0956

LIABILITY

All persons who attend the sale do so at their own risk and neither owners, RCS, Michigan Simmental Association or United Producers Livestock assumes any responsibility, legal or otherwise, for damages, accidents, theft, errors in the catalog or omissions. All cattle are at the purchaser's risk as soon as sold. Assistance will be offered in loading and/or shipment of cattle, but no risk is assumed by any group of individual associated with the sale.

SALE UPDATES

We have made every attempt to supply the most current and accurate information available on the cattle being offered. Any updated or additional information made available at the sale will take precedence over previously printed material. Updates may be found online at, www.rublecattleservices.com or www.michigansimmental.org

On behalf of the Michigan Simmental Association, Michigan Angus Association and Ruble Cattle Services we would like to welcome you to the third annual sale fall sale. We've put the time into driving around and screening the sale cattle to ensure a quality set from top to bottom. Michigan's top Angus and Simmental breeders have come together to offer an exceptional set of cattle.

This sale features breed leading frozen genetics, donor cows and elite semen sires. We also have a great selection of bred females and pairs, both in many breed combinations. This year we have an awesome set of females in every stage of production ranging from open show heifers to 3N1s. Simply put, we've spent a great deal of time and money on this sale to have something for every kind of buyer.

A special thanks to the both association's board of directors and the Simmental & Angus breeders of Michigan for allowing us to manage this year's sale. We feel confident this year's fall sale has something to add to every kind of cattle program. We look forward to seeing you at the sale or talking to you over the phone.

This will be one of the largest events in Michigan and is a must attend event. If you can't make to the sale we will offer you a complete description of the sale cattle and we can help arrange affordable trucking to the majority of the U.S.

Sincerely,

Jeremie Ruble

Marshall and Jeremie Ruble

Consignor: **LANDIS FARMS**

- AI'd 4/26/16 to CCR COWBOY CUT 5048Z (ASA# 2703910)
 - This is one hard decision when it comes to putting this superior donor in the sale. This elite female is one of our favorites. She is big footed, wide as a truck and loads of internal dimension, while still being good natured and a excellent mother. Since we have heifers on the ground and embryos in the tank we have decided now is the time to sell.

- Two well-designed 1/2 blood females here, stemming from tow very unique maintainer females and out of our new herd bull by STF Shocking Dream and out of STF Miss W474, the full sister to the two time National Champion STF Onyx. 46D is backed by an I-80 daughter straight from the Horsley Brothers program and 319D is being backed by genetics from the Schaeffer and Tice program. Whether you are looking for fantastic replacements or an exciting junior project, be sure to look these girls up. I really admire how their necks tie into their shoulders while keeping plenty of femine look with the amount of neck extenstion they offer. Both of these females have plenty of rib and walk around with fantastic foot placement.

- Two very complete purebred heifers out of our new STF Shocking Dream and the full sister to STF Onyx direct from the STF program in Indiana. The dams of these tow heifers offer a blast from the past with the combination of genetics. Madaline the red head of the group hails from a 3C Wally dam who is also backed up by a dam of Black Irish Kansas; while Faith is backed by a deep bodied, big footed dam sired by a son of Goldmine who is backed by a powerful Black Joker Dam - CC Black Mistress. Both thes heifers offer great length of body and stoutness in bone; both females could easily hold their own in any program.
